Dear Dianne:

In accordance with our conversation, we are planning on engaging in an additional informal discussion with the Board at its regular meeting on Thursday, April 25, concerning the Interim Reclamation Contract and Self Bonding Agreement. We also want to discuss possible substitution of a self bond surety for the Reclamation Contract at the Keigley Mine as well.

In advance of the meeting, we will be sending Board Members a letter in support of Geneva's request for approval of self bonding. I will ensure that copies of the document are sent to you as well.

Please let me know if we need to discuss the subject further in advance of the meeting. I appreciate the assistance you have provided in accommodating our request for an additional discussion before the Board.

Very truly yours,

Clayton J. Parr
